

Personal information

Name Jean-Claude Cuenin
Date of Birth August 22, 1981
Citizenship Swiss

Academic career

2013– **Assistant professor (Akademischer Rat)**, Department of Mathematics, Ludwig-Maximilians-Universität München (LMU), Germany
2014–2015 **Postdoctoral researcher**, Department of Mathematics, University of Chicago, USA
2011–2013 **Postdoctoral researcher**, Department of Mathematics, Imperial College London, UK
2007–2011 **Teaching assistant**, Department of Mathematics, University of Bern, Switzerland
2005–2007 **Teaching assistant**, Department of Theoretical Physics, University of Bern, Switzerland

Research stays

May–June 2013 **Institut Henri Poincaré (IHP)**, Paris, France
July–August 2012 **Newton Institute**, Cambridge, UK
Nov.–Dec. 2012 **Institut Mittag-Leffler**, Stockholm, Sweden

Education

2007–2011 **PhD of Science in Mathematics**, University of Bern, Switzerland (summa cum laude)
2002–2007 **Diploma in Physics**, University of Bern, Switzerland
2001–2002 **Chemistry studies**, 2 semesters (exam completed successfully), University of Bern, Switzerland

Services

2011– **Referee** for five mathematical journals (Journal of Spectral Theory, Journal of the LMS, Revista Matemática Iberoamericana, Journal of Integral Equations and Operator Theory, New York Journal of Mathematics)

2011-2012 **Member of the editorial office** for the Journal of Integral Equations and Operator Theory

Fellowships and grants

- 2017 **Travel fund**, LMU Mentoring for excellent young academics, 1035 EUR, sole recipient (see the appendix „Grants received“)
- 2014–2015 **Advanced Postdoc Mobility**, Swiss National Foundation (SNF), 90'100 CHF, sole recipient (see the appendix „Grants received“)
- 2011–2013 **Early Postdoc Mobility**, Swiss National Foundation (SNF), 48'900 USD, sole recipient (see the appendix „Grants received“)
- 2010–2013 Employment under the SNF-project „Topics in Geometric and Functional Analysis“
- 2008–2010 Employment under the SNF-project „Geometrische Analysis und Funktionalanalysis“

Selected talks

- 2017 **Conference on spectral theory and asymptotic analysis**, Trier, Germany
- 2017 **Walkshop on mathematical physics**, Munich, Germany
- 2017 **Conference on the physics of non-selfadjoint operators**, Marseille, France
- 2017 **Workshop on linear and nonlinear Dirac equation**, Como, Italy
- 2016 **Conference „Mathematical Challenges in Quantum Mechanics“**, Bressanone, Italy
- 2015 **Young researchers workshop on spectral theory**, Universität Bern, Switzerland
- 2014 **Calderon-Zygmund analysis seminar**, University of Chicago, USA
- 2013 **Conference „Variational and Spectral Methods in Quantum Mechanics“**, Institut Henri Poincaré (IHP), Paris, France
- 2012 **Cardiff analysis seminar**, Cardiff School of Mathematics, UK
- 2012 **Qgraph network meeting**, University of Stockholm, Sweden
- 2012 **Research programme „Hamiltonians in Magnetic Fields“**, Institute Mittag-Leffler, Stockholm, Sweden
- 2012 **Postdoc workshop**, Imperial College London, UK
- 2011 **Analysis seminar**, LMU München, Germany
- 2011 **Spectral theory seminar**, KTH Stockholm, Sweden
- 2011 **EPSRC workshop**, Gregynog, UK

Memberships

- 2017– **Deutscher Hochschulverband (DHV)**
- 2013– **International Association of Mathematical Physics (IAMP)**

Languages

German Mother tongue

French Fluent, spoken and written

Englisch Fluent, spoken and written (daily use in research and teaching)
